

## VEED Manual – Automatically Generated Subtitles

A demo video is available here: <https://www.youtube.com/watch?v=8wZARTDbNmc>

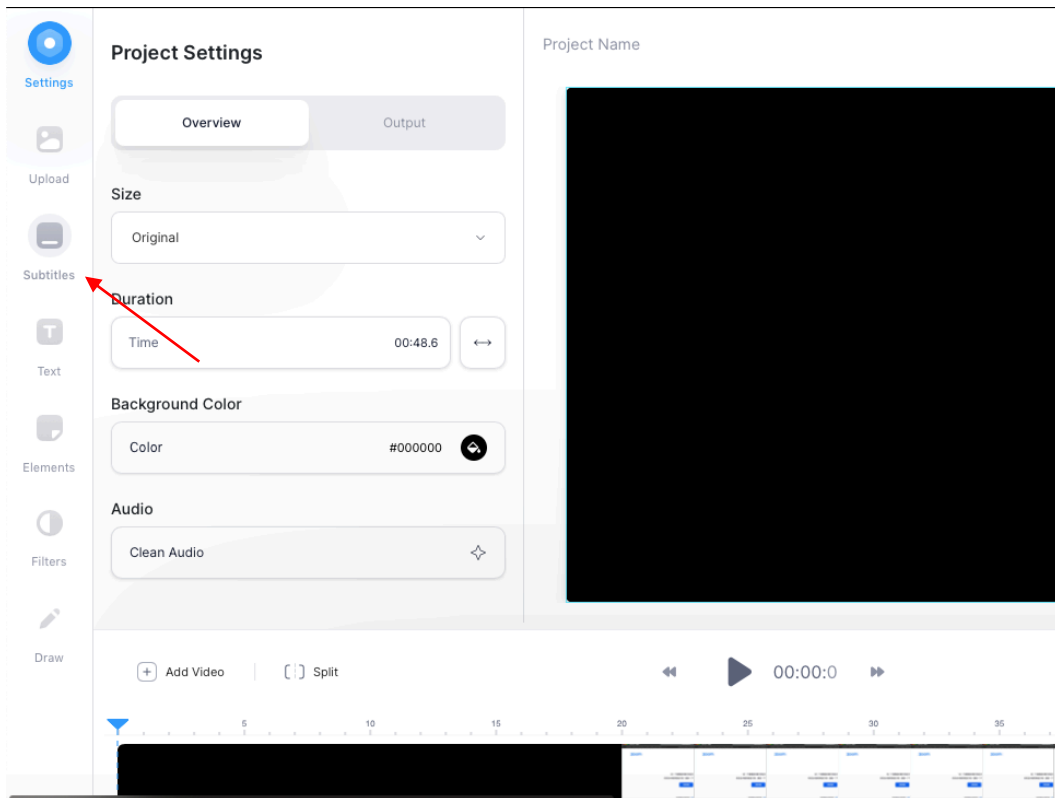

1. Visit VEEIO and click “Upload Your Video” on the homepage.

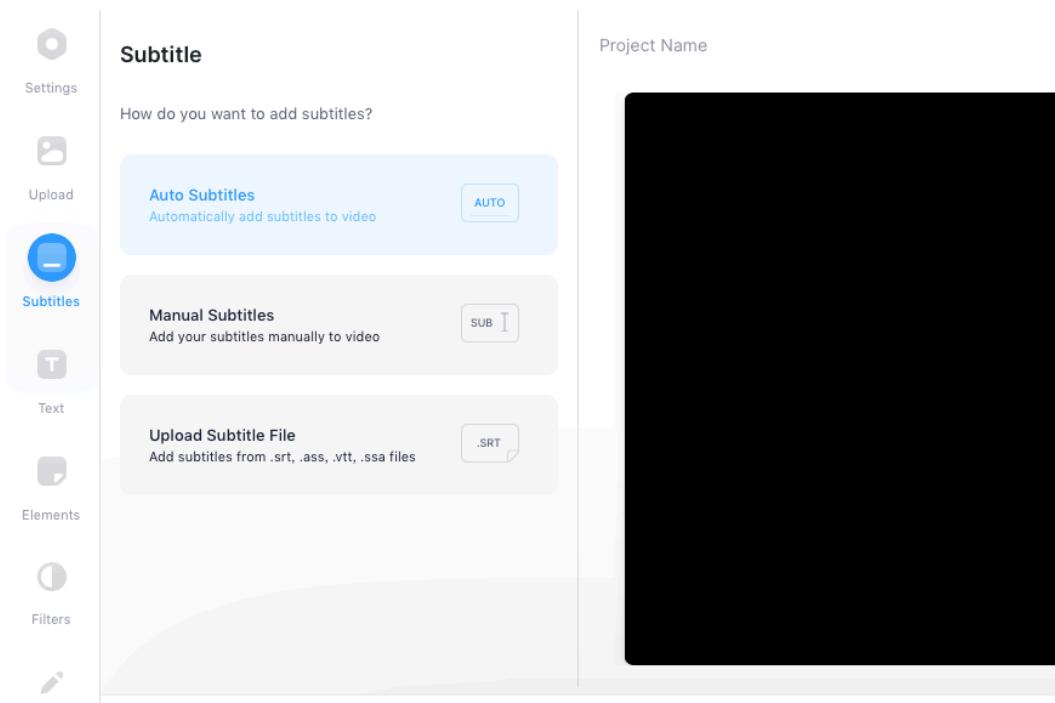

2. Select “Upload a File” and choose the file you need.

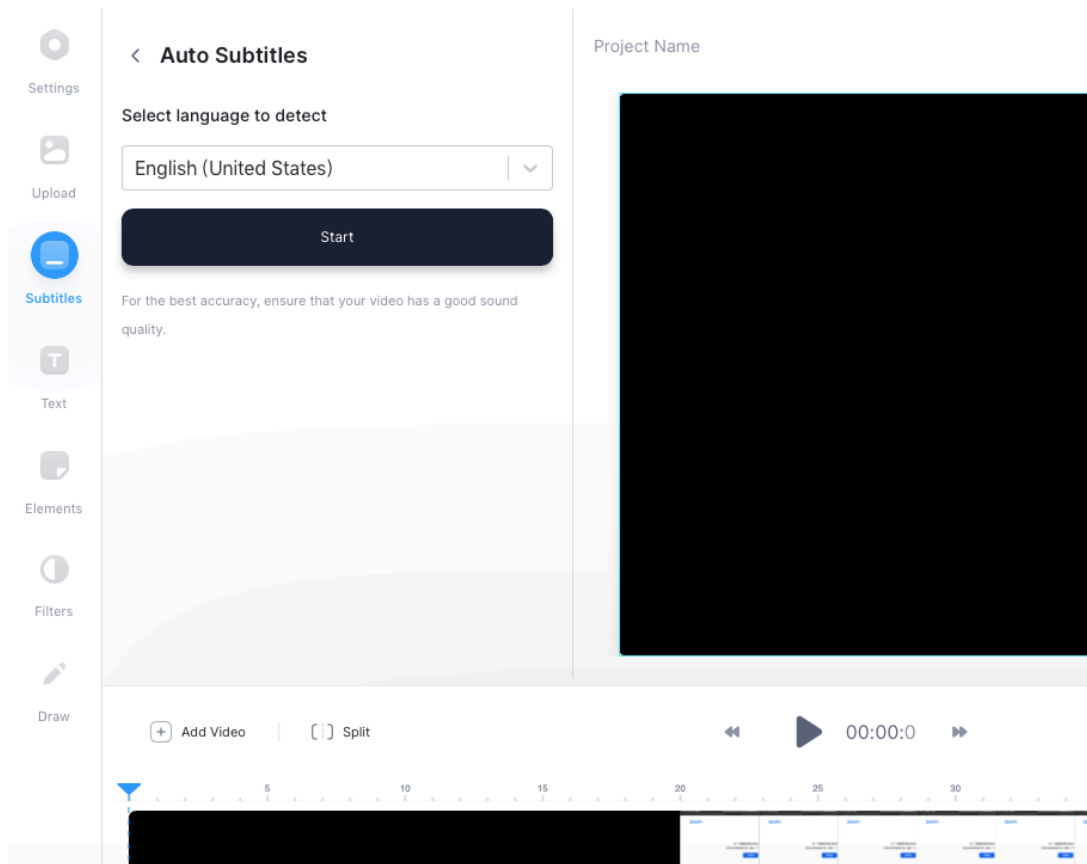

3. After your video appears, go to the menu on the left hand side and select “Subtitles”.

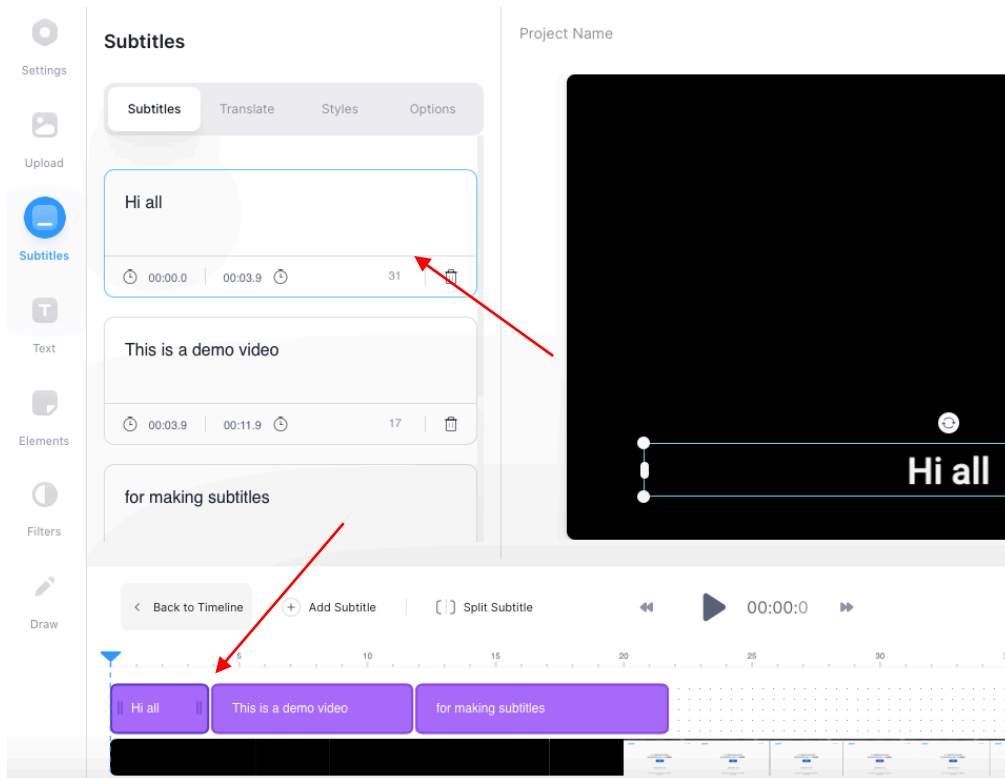

4. Select the “Auto Subtitles” box.

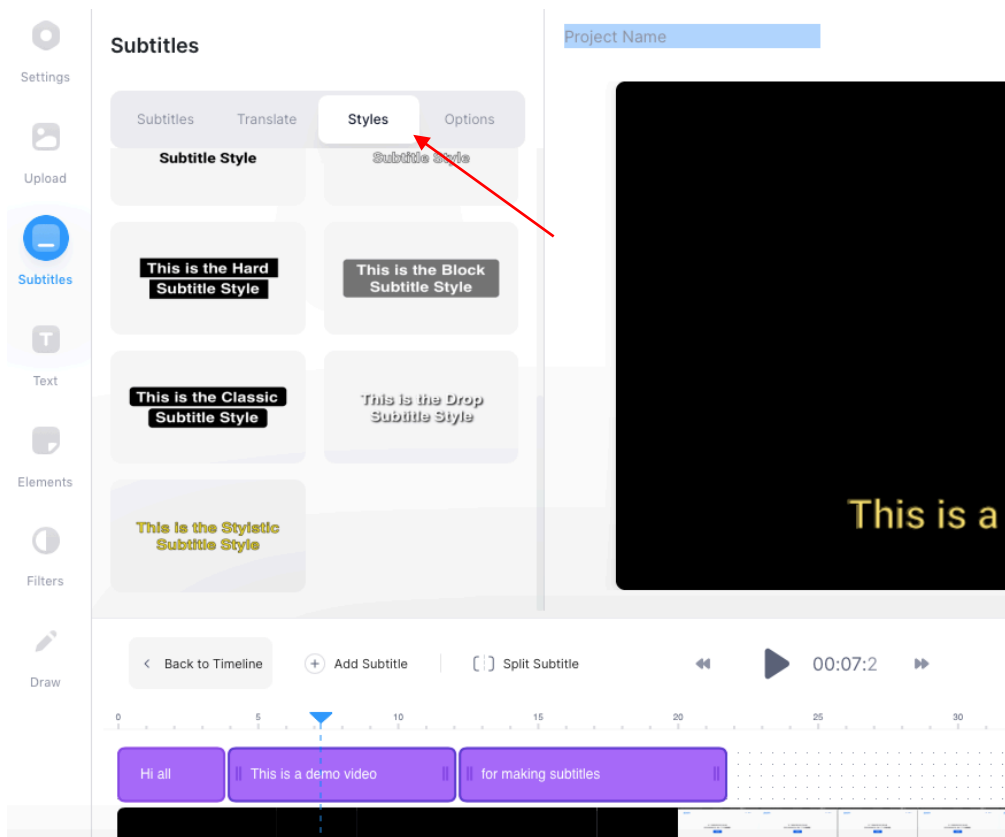

5. Choose “English” as the language to detect (default option), click “Start” and wait until it finishes generating subtitles for your video.

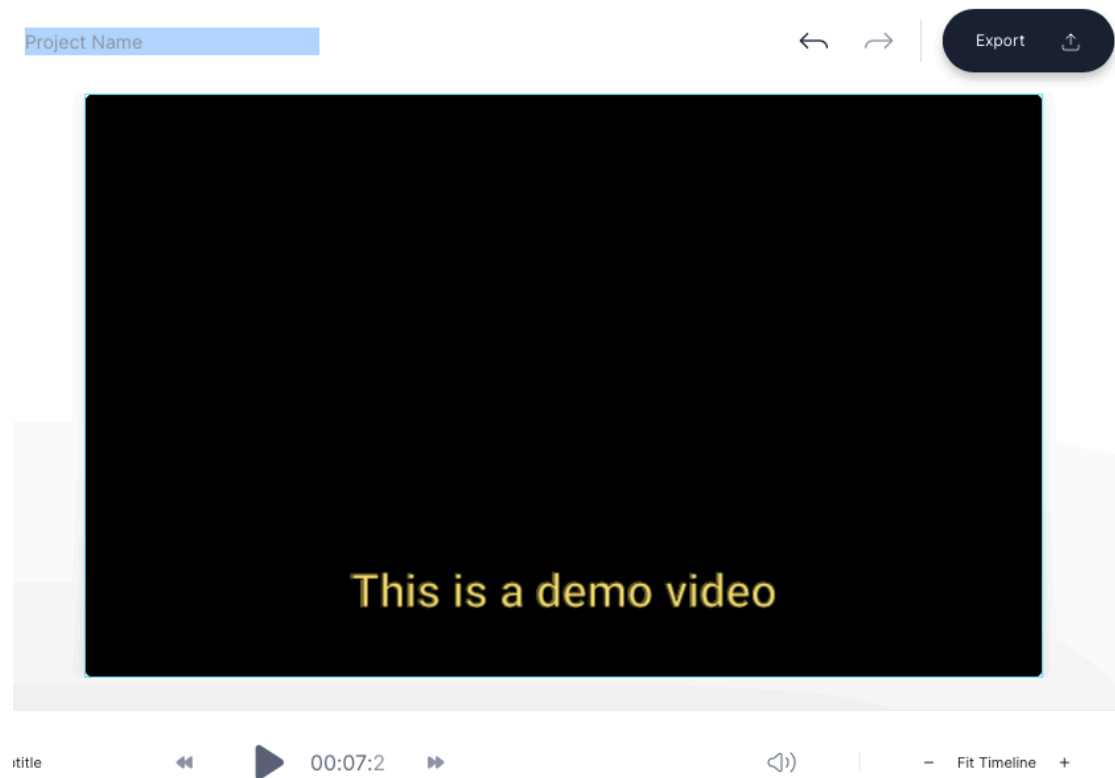

6. Make any edits to the subtitles you need. You may also move the edges of the purple boxes of to fit the duration time of the subtitles.

7. Click "Styles" in the grey toolbar and choose the styles of the subtitles.

8. Click “Export” on the top right hand corner after subtitles are ready.

9. Preview your video and click “Download video”.

10. Finish!

Remarks:

1. Videos over 10 minutes cannot be rendered with a free plan.
2. Videos rendered with a free plan contain a VEED watermark on the top left hand corner of the video (Please refer to the screen shot of step 9).
